 The cycle is to be insured for theft and fire under the household contents insurance. The cycle must not be ridden on the road and the frame and all gear must be kept in good order. The cycle must not be painted and NO stickers are permitted to be placed on it. The hirer is responsible for the repair or replacement of parts on the track bike should it be involved in an accident. The hirer of the bike is responsible for the replacement of tubular tyres that puncture or blow out. These tyres must be replaced with a tyre of similar quality so as the bike can be used on the track in a safe manner. The same applies to those bikes that have a clincher tyre and tube. The club has the right to revoke the contract if the conditions of hire are not adhered to. As a hirer of a club asset you will be asked to support the club by making yourself or someone on your behalf to help with the running of the track programme. Full training will be given for any role given *50% of your bond will be forfeited if the cycle is not returned by the end of April 2023.
